# ITEMS WE DO NOT ACCEPT

**Due to safety concerns/risks, the following items are not accepted at any JBF Sales.**

## Open System Breast Pumps

Open System breast pumps are made for use by one person. The open system can allow for cross contamination. Since the safety of you & your children is our highest priority, we will not be accepting these.

## Incline Sleepers

Due to risk posed to infants, incline sleepers can no longer be accepted at Just Between Friends sales. A notice was provided by the CPSC on November 11, 2018 in which these sleepers were deemed unsafe after repeated incidents of infant suffocation.

## Cribs made before June 28, 2011

All Cribs made before June 28, 2011 are no longer considered safe for infants—that includes all dropside cribs as they pose significant risks to infants. They cannot be sold or donated.

For cribs manufactured on or after June 28, 2011, a completed Crib Waiver is Required.

## Crib Bumpers

All types of Crib Bumpers are no longer considered safe for cribs. These will not be accepted or sold at Just Between Friends Sales.
